REPEATING SHOT GUNS

are cheap in price, but in price only. "Take Down" guns list at \$27.00 and Solid Frame guns at \$25.00, but they will outshoot and outlast the highest priced double barreled guns, and they are as safe, reliable and handy besides. Winchester Shot Guns are made of the very best materials that can be procured, a thoroughly modern system of manufacture permitting them to be sold at buyable prices.
